## Facts and evidence

F1 [bound-excerpt]: SYNTHETIC BILL TEXT. Section 101 authorizes a research demonstration for fiscal year 2027. This authorization does not itself appropriate funding.

Citation: bill_text / 119-hr-4242 / synthetic-ih-v1; characters 0-146; read-and-bound; locator URL (not verification): https://example.invalid/synthetic/bill/ih

F2 [unverified-claim; potentially conflicting cited passages]: The demonstration is fully funded. This claim needs verification.

Citation: bill_text / 119-hr-4242 / synthetic-ih-v1; characters 0-146; read-and-bound

Citation: federal_legislation / synthetic-status-4242 / synthetic-status-v1; characters 0-137; read-and-bound

F3 [missing-evidence]: No fiscal-year budget amount has been read.

Citation: program_elements / synthetic-pe-1 / synthetic-budget-v1; characters 0-42; missing-or-version-mismatch

## Proposed language

Draft proposals for human review; not enacted language or verified facts.

Revised proposal: Require independent confirmation of the authorization and appropriations basis before seeking a congressional research demonstration.

## Coverage and verification appendix

Verification means an exact excerpt was read and byte-bound. Free-form claims remain unverified. Missing or partial evidence does not establish absence.
